### RETURNING WITH JOY

REV. SARAH BRONOS

When the 70 returned from their mission to towns and villages preaching the gospel, healing the sick and casting out demons they did so with great joy at the power of the Name of Jesus over the spiritual forces of darkness. Do we trust that as they were sent so also are we to witness the same power? We will explore and become confident in that promise in God's Word.

**Bio:** The Reverend Sarah Bronos is an Episcopal priest in the Diocese of Central Florida and has been involved in the healing ministry for over twenty years, and a member of OSL for eleven. As Rector of Church of the Good Shepherd in Maitland, Florida she began an OSL chapter and held regular healing services and healing missions. Upon retirement from full time parish ministry Rev'd Sarah began an OSL healing community at Church of the Ascension in Orlando where she is the Retired Associate for the Healing Ministry, and where she leads bi-monthly livestream healing services. In May 2020 Rev'd Sarah was appointed by North American Director, Rev'd Josh Acton, as the Director of Online Healing Ministries for OSL. Over the course of the last two years the Lord has expanded this ministry with an increasing number of online healing communities, 26 healing miracles studies led by gifted teachers, the appointment of conveners' and chaplains' coaches and an online healing center now led by a number of gifted OSL members.

### WHEN YOU CAN'T SEEM TO FIND JOY

THE RIGHT REV. RON KUYKENDALL

This workshop will discuss how to navigate seasons when the ways we have experienced the Lord in the past, no longer seem to work. The prophet Elijah experienced a disorientating season of dryness at the Brook of Cherith (1 Kings 17). We will discuss what we can learn from Jeremiah and the "grace to be empty." The session will include a time of ministry and prayer.

**Bio:** Ron Kuykendall is an Anglican bishop and has served as the Rector/Sr. Pastor of St. Andrew's (Gainesville, FL) since 1996. Ron has earned degrees from Wheaton College (BA), Reformed Theological Seminary (MA), and his Ph.D. was supervised by Alister McGrath at Wycliffe Hall, Oxford (UK). As a young priest in his early 30's, Ron came to realize his personal brokenness which led to his seeking inner/emotional healing and the Spirit-filled life. Since that time, Ron has been teaching and ministering the very same things he is receiving for himself. Current OSL Board Chairman Dr. Sharon Lewis+ and her team at Church of the Holy Spirit (Osprey, FL), were instrumental in Ron's personal healing journey in the late 1990's. Following that model, St. Andrew's is a healing church with a strong ministry team that's enjoyed serving together for the past twenty plus years. Ron is currently working under Russ Parker in 2Restore, a ministry that provides restoration and healing for wounded churches. Josh Acton appointed Ron to serve as the "Executive Chaplain the National Director; and Chaplain to the Board" (OSL). Ron has been married for the last 32 years to Susie, his partner in life and ministry.

### THE JOY OF DISCOVERING OUR TRUE IDENTITY

REV. PAUL FEIDER

What is my true identity? How do I identify myself? Do I have within me a deep inner joy and peace? I will walk participants through the gospel of John to discover answers to life's important questions. It is a journey to true joy.

**Bio:** Rev. Paul Feider was born and raised in Wisconsin. His preparation for priesthood included two years of college at the University of Innsbruck, Austria. He completed his Masters of Divinity degree in Milwaukee and was ordained in 1977. In 1994 he took a year of Anglican Studies and continued his ministry as an Episcopal priest. Rev. Paul has spent his 45 years of priestly ministry passionately leading people in his community and surrounding area to a deep love for God, teaching about the power of God's word and bringing God's healing touch to many. Rev. Paul has written six books. In 1979, he became an active member of the Association of Christian Therapists ([www.actheals.org](http://www.actheals.org)). In 1996, he became a member of OSL ([www.OSLToday.org](http://www.OSLToday.org)), a national organization dedicated to equipping God's people with the healing ministry of Jesus. He has served as president of their board and continues to serve on the board. He is also on the National Board of Directors for Christian Healing Ministries ([www.christianhealingmin.org](http://www.christianhealingmin.org)), directed by Judith MacNutt. Rev. Paul retired six years ago from serving as pastor of St. John's Church and Center for Inner Peace in New London, Wisconsin. Rev. Paul is married to Julie, who is a Licensed Professional Counselor. He has a fire in his heart for inviting people into the heart of God. His gifts of preaching, teaching, praying and administering have been anointed by the Holy Spirit to bring many people to greater wholeness and inner peace.

This workshop will present issues that arise in such ministry and how we can better help others find healing in Jesus for what are often life-shaping wounds.

### GROWING IN JOY

HOLLY AND REV. JOHN RODDAM

Brain Chemistry AND the Holy Spirit are catalysts causing us to deepen in Joy. As the "joy center" of the brain is engaged, it can keep growing & developing, unlike other areas of the brain that atrophy with age. This is an amazing dynamic as we deepen in our walk with the Lord and increase in JOY like Jesus!

**Bio:** John has been active in OSL for over 30 years. He is the OSL Chaplains' Coach and heads the OSL Theological Committee. John is from eastern Canada originally. He is married to Holly, and they have four adult children and four granddaughters. John is a retired Anglican priest and mentors younger leaders in Europe, North America and Asia. ### THAT YOUR JOY MAY BE FULL

DITSIE SCOBIE

What steals our joy and how do we return to that wonderful place of joy in Jesus?

**Bio:** Ditsie answered to the call to teaching in the mid 80's and spent the next 32 years teaching elementary education. 25 of those years were teaching sixth graders, with a stint as principal thrown in. Most of her teaching was done in Christian schools where she delighted in sharing her faith and teaching her students to love Jesus. It was her desire to see her students reach their greatest potential and to know how much God loved them. Six years ago, God called her out of teaching elementary education and into full time prayer

ministry and teaching about the healing prayer. Her mission now is to set people free from the chains of their past, bring them to healing from their brokenness and help them move forward in a deeper walk with Jesus. She has been a member of OSL for 25 years and is presently serving as the OSL Region 3 Director and Convener of the Prince of Peace OSL Healing Community. Ditsie and Bob, her husband of over 50 years, live in Merritt Island, Florida, but make frequent trips to North Carolina and Maine to visit their married daughters and their granddaughters. They worship and serve at Prince of Peace Anglican Church in Melbourne, Florida.

### HARNESSING JOY WITH IGNATIAN DISCERNMENT OF SPIRITS

Saint Ignatius was a soldier before he was a priest, and generations have benefitted from his clear-cut spiritual strategies that teach Christ followers how to navigate times of consolation and desolation. In this workshop you'll learn how to recognize and to embrace the joy of the Lord and how to recognize and reject the joy stealers in our life. We'll focus on two key principles, practice some spiritual activations, and engage in a time of Holy Spirit encounter through our faith in Jesus Christ.

**Bio:** The Rev. Tara Shepley is the Priest in Charge at St. George's Church in Middlebury, CT. She was ordained in 2020, and she has been happily married to The Rev. Joe Shepley for almost thirty years. Together they have three grown children and a beloved dog named Sir Arthur. Tara is an active chaplain and convener in OSL Region 1 and in CT.
