service at the church

Join OSL North American Director Rev. Josh Acton for a time of going deeper in your walk with Christ. There will be a series of talks, followed by small group time for discussion, listening to the Lord, fellowship, and prayer.

Topics will include spiritual disciplines, the power of intercession, hearing from God, and sharing the message of the Gospel. We will explore how to stay 'in tune' with the Lord, provide structure for moving into the missional part of discipleship, and offer opportunities to have mentors and be a mentor on the journey. You won't want to miss these Holy Spirit-filled weekends!

Everyone is invited to attend!

The International Order of St. Luke the Physician is a Christian Order of faith, prayer and service. It is devoted to bringing the healing ministry of Jesus Christ to all who need physical, spiritual and emotional healing

During His time on earth, Jesus brought us the Good News and brought healing to many. The New Testament offers many examples of Jesus' healing people of physical, spiritual and emotional infirmities, making them whole again before God.

The Order of St. Luke seeks to follow Jesus' model and instructions to "go and do likewise," healing through the power of the Holy Spirit and the Grace of God.

*This is an in-person retreat only, hosted at the church. Lodging not included. For out of town guests, fly into Fort Meyers Airport, then a 45 min drive south.*
