HEALING WINDS / OSL NORTH AMERICAN CONFERENCE 2024

Healing Winds Conference, OSL
An Experience of Spiritual Transformation & Enrichment

OSL A MINISTRY OF CHRISTIAN HEALING

HEALING WINDS / OSL NORTH AMERICAN CONFERENCE
SEPTEMBER 27 - 29, 2024
 BY DR. MIKE SABBACK, OSL CONFERENCE COORDINATOR

OSL is happy to announce that we have partnered with the Healing Winds Conference (healingwindsosl.org) to hold the 2024 OSL North America Conference, September 27-29, 2024, at the beautiful Lake Junaluska Conference and Retreat Center (lakejunaluska.com) in the breath-taking North Carolina mountains.

The Healing Winds Conference was begun in 1995 by Rev. John Rice and his healing community and has met annually in various locations in the same area, usually on the last weekend of September. For the past several years the conference has been produced by a collaboration of three OSL healing communities in Western North Carolina.

Lake Junaluska is a premier conference and retreat destination easily accessible by road from almost anywhere in the Southeast and by air via Asheville, North Carolina (Airport code AVL), which is only 36 miles from the Asheville airport.

Lake Junaluska offers a variety of accommodations including hotel-style, lodge-style and campgrounds. All meals during the time of the conference are included in the nightly room rate, and the conference has obtained a special discounted room and meal package for those staying at the hotel and lodge during the conference. Limited numbers of rooms are available, so plan to reserve early.

Lake Junaluska offers a wide variety of outdoor activities including walking, hiking and kayaking, to name a few, on its magnificent grounds featuring a 200 acre lake nestled between the Blue Ridge and Smoky mountains with spectacular, panoramic views.

Our 2024 keynote speaker will be Dr. J.P. Moreland, a world-renowned theologian, author and lecturer who will give four keynote teachings on transformational topics in the healing ministry as well as providing excerpts from his own journey to healing and wholeness.

Other conference activities include times of praise and worship, times for individual and soaking prayer, a generational healing service and times of fellowship and relaxation in this beautiful, natural setting.

There will be a total of six anointed workshops to choose from—three on Friday and three on Saturday—given by local and national OSL leaders.

Registration will open approximately six months before the conference start date and will be available through the Healing Winds and OSL website.

"Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will."

Registration is a two-step process. First, use the conference registration link to register and pay the conference fee found at healingwindsosl.com or OSLToday.org. Then registrants will be directed to a second link for lodging where you may reserve your preferred accommodation hotel or lodge, and if you want meals included through the Lake Junaluska reservation system.

It is recommended that conference attendees reserve early since accommodations of both types are limited. An early, discounted conference registration fee will be made available for a short time.

In the event that accommodations at the conference center are booked and no longer available, there are a wide variety of accommodations to choose from in the city of Waynesville, NC, which is adjacent to the Lake Junaluska Campus. Meal packages for the conference may be purchased separately from the conference center for those staying offsite.

We are excited about the upcoming 2024 North America Conference and our collaboration with Healing Winds in producing this event. Please mark your calendars now for this awesome weekend in the grandeur of these glorious mountains.

All OSL members will be notified when the registration is open and available. In the meantime, we ask your prayers for the conference, speakers, staff, attendees and all the details.
