OSL is happy to announce that we will be offering the **OSL Prayer Minister Training Study** beginning on **Monday, September 8, 2025** at 6 PM ET on **Zoom** and **in-person** at Seacoast Church, West Ashley Campus, 2049 Savannah Highway, Charleston SC 29407.

This Bible study is especially suited for beginning and advanced prayer ministers, healthcare workers, prayer warriors and others who want to deepen their ministry of healing, deliverance and intercession.

In each of the nine, two-hour, weekly sessions, we examine how Jesus healed and drove out demons using three of the 26 Healing Accounts in the Gospels as the basis for our study. We also present a topic related to the healing ministry for discussion.

There will be time in each session for prayer exercises related to each week's topic and/or to pray for one another using the techniques that we have learned.

On Saturday, November 1, a Morning of Soaking and Healing Prayer will be held on Zoom and in-person at Seacoast West Ashley Campus so that course participants can use the skills they have acquired in a supervised prayer ministry setting.
